TO THE HONOURABLE W. ROSS MACDONALD, P.C.,

MAY IT PLEASE YOUR HONOUR:

The undersigned begs respectfully to present to Your Honour the Annual Report of The Inspector of Legal Offices for the year ending 31st December, 1968.

A. A. WISHART,
*Minister of Justice and
Attorney General.*

Toronto, March 20th, 1969.

REPORT
of the
INSPECTOR OF LEGAL OFFICES
ONTARIO: 1968

Parliament Buildings,
Toronto 2, Ontario.

The Honourable A. A. Wishart, Q.C.,
Minister of Justice and Attorney General,
Province of Ontario, Parliament Buildings,
Toronto 2, Ontario.

SIR:

I have the honour to present to you my Report as Inspector of Legal Offices for the year ending December 31st, 1968.

The assumption by the Province of the costs of the administration of justice on January 1, 1968, imposed a heavy burden on our staff. The municipal staffs engaged in the administration of justice and taken over on that date involved more than 1,200 persons including county court judges' secretaries and reporters, the staffs of county and city juvenile and family courts, the staffs of the magistrates' courts including those of the municipality of Metropolitan Toronto and the Cities of Hamilton, Ottawa, London and Windsor, the staffs of the registry offices and sundry others. While some difficulty was experienced with classification of individuals, with a few exceptions this phase of the take-over has been successfully accomplished.

The second stage of the take-over involved the assumption of the operating costs of the courts and the re-distribution of certain revenues dated back to January 1, 1968 upon the passing of appropriate legislation. This included:

(a) the payment by the Province of all operational expenditures relating to the administration of justice at present incurred by the municipalities such as the operating costs of all courts and registry and land titles offices, fees and expenses of jurors, crown witnesses, coroners, justices of the peace, et cetera.

(b) relieving municipalities from payment of fees and expenses to crown attorneys, sheriffs, county court clerks and local registrars of the Supreme Court of Ontario for services connected with the administration of justice.

(c) the payment to municipalities of all revenue from local by-law fines and absorption by the Province of all revenue arising from fines and costs under non-municipal legislation.

(d) the payment to the municipalities of an additional \$.50 per capita grant to represent the apportionment of revenue from fines levied under non-municipal legislation, plus a supplementary \$1.00 per capita grant to municipalities in the northern districts.

First reading was given to the required legislation, some 16 bills, on April 1, 1968, and they received Royal Assent on May 30th. Since that date our audit

and accounts branches have been actively engaged in adjusting accounts with the municipalities retroactive to January 1st. The assumption of such costs also imposed a heavy burden on our outside offices and the accounting procedures introduced resulted in a great deal of confusion for several months. Most of the problems appear now to have straightened out, however.

The third phase, that of arrangements for assuming the costs of accommodation for the administration of justice caused us the greatest concern. The considerations are complex involving debt retirement charges, leases, rentals, operational and maintenance costs, et cetera. Considerations also vary widely as almost every situation is different. This phase is the responsibility of the Department of Public Works and realizing the size of the undertaking a task force of nine persons was set up under the direction of D. E. Jamieson, Executive Officer, Operations, to devote itself exclusively to this project. As at December 31, 1968 the Department of Public Works has signed agreements with 4 counties and has agreements in principle with another 14. There is strong opposition, however, from several counties. In addition the Department is paying rental for 131 leased accommodations, which includes a number of new leases and a number of existing leases which have been assigned to the Province. This is in addition to buildings for which we are sharing accommodation with municipal administrations.

The past year saw a continuance of efforts directed towards the development of the central registry system as required by The Personal Property Security Act, 1967. Much work was accomplished through the informal meetings held with the credit granting institutions and associations. These meetings provided the essential communication in the determination and consolidation of thinking related to the design of the prescribed forms, the lead time required by the business community to gear for the implementation of the procedures and regulations governing registration, and the amendments to the legislation necessary to co-ordinate the orderly implementation of the central registry system. It is anticipated that the year 1969 will be devoted to the final approvals of the forms design, selection of the immediate equipment requirements, introduction of appropriate legislative amendments, introduction of the prescribed forms for purposes of registration and instigation of the three-year build up of the central registry file.

The volume in the registry and land titles offices showed another sizeable increase over the previous year with revenue increasing almost 5%. While activity declined in the Toronto and Peel offices the other areas showed an offsetting general increase. The value of the properties transferred during 1968 is reflected by the amounts collected in land transfer tax which increased \$10,249,974.87 in 1967 to \$11,642,785.97 in 1968.

The system of land registration under the Registry Act has made many notable advances over the past five years. Extensive amendments to the Registry Act and associated Acts have removed many obsolete provisions and have revised and introduced new ones. Registrar's Compiled Plans and Reference Plans have been introduced and have successfully been employed to improve title records. In addition to legislative changes, a large number of administrative changes have been made. Books and forms have been standardized. A bookbinding branch has been established by consolidating previously separated operations. This branch manufactures or furnishes all record books used in our offices throughout the Province. Microfilming processing equipment has been installed in the Hamilton office with a resultant increase in control quality and a reduction in costs. A program of regional plan printing offices is

being introduced so that we can offer paper prints of registered and deposited plans for sale to the public for nominal fees. Motorized document filing equipment has been introduced in several offices to make better use of existing space.

The Provincial Courts Act, 1968 which was proclaimed in force on December 2nd provides for the appointment of provincial judges for the criminal division and the family division. On that date those holding appointments as magistrates and juvenile and family court judges were appointed provincial judges with the exception of eight county court judges who were juvenile and family court judges on a part-time basis. While the services of several part-time appointees were retained for a few months, future appointments, of which quite a number are urgently required, due to resignations and the increased work load, will be made on a full-time basis. His Honour H. T. G. Andrews was appointed Chief Judge of the Provincial Courts (Family Division) and working with this department will be concerned with the creation of a full-time family court bench and the many other problems associated with this court. During the past year Judge Hollinrake retired, Judges Coon and Bannon of the County of York resigned and Judge Platus of Renfrew County passed away. Further resignations and retirements have already been received this year. In 1968, a number of new appointments were made including J. D. Greco of Algoma, L. Henricksen of Essex, G. E. Michel of Nipissing and A. A. McLean of Renfrew.

Our associations were again active, both at the provincial and zone levels. The following is a list of officers of the various Associations for the coming year:

A number of changes in personnel during the past year should be noted. We regret the untimely passing of two of our senior Crown Attorneys, H. H. Bull, Q.C. of Toronto and A. G. Burbidge, Q.C. of Sudbury. In the Sheriffs, Local Registrars group in 1968 only two officials were replaced. H. C. Waind of Guelph was replaced by G. Goldrich and H. J. F. Stewart, Q.C., of Brockville was succeeded by D. E. Van Allen. During the year on the county court bench, Their Honours, C. C. Gibson of Ottawa and A. L. Ambrose of Hamilton retired on account of ill health.
